Palermo, May 11th, 2022

Dear Professor Rădulescu,

we are glad to inform you that the Meeting on

Nonlinear differential problems

will be held in Palermo, May 31st, 2022.

Because of the reputation of your contribution on the topics of variational and topological methods in nonlinear analysis, we are very pleased to invite you to participate delivering a lecture.

Your acceptance will certainly enrich the quality of the event. We would be grateful if you could let us know the answer at your earliest convenience.

Sincerely yours.
