WORKSHOP

**NONLINEAR
DIFFERENCE AND
DIFFERENTIAL
EQUATIONS AND THEIR
APPLICATIONS**

NODDEA'2010

April 22-24, 2010, University of Rousse, Bulgaria

FIRST ANNOUNCEMENT

The Department of Mathematical Analysis at University of Rousse, Bulgaria organizes an International Workshop "Nonlinear Difference and Differential Equations and their Applications". The workshop will bring together researchers working on problems for difference and differential equations arising in models in Engineering, Economics and Natural sciences. The aim is to stimulate cooperation and joint investigations. Selected international experts will deliver lectures on topics of the workshop. The meeting gives PhD students the opportunity to present their recent studies.

Invited lecturers (by alphabetical order) are:

Prof. Gheorghe Morosanu, Central European University, Budapest, Hungary,

Acad. Peter Popivanov, Institute of Mathematics and Informatics, BAS, Bulgaria,

Prof. Nedyu Popivanov, University of Sofia, Bulgaria,

Prof. Vicentiu Radulescu, University of Craiova and Institute of Mathematics of the Romanian Academy, Romania.

Invited lectures are with duration 40 min.

Contributed talks are with duration 20 min.

The organizers can cover the accommodation of the invited lecturers for April 22 and 23. The presented lectures can be printed on a CD of the workshop. Registration fee, which will cover social events, is 15 Eur. (30 Lv). Important dates are:
